DCF policy allows providers to charge families receiving child care assistance up to the maximum DCF hourly rate.

Families receiving DCF childcare assistance are responsible for making any required payment and remaining balance directly to FRC by the established payment due date; DCF assistance does not relieve the parent/guardian of responsibility for any amount not covered by DCF.

Late Pick Up Fee for both Private & Subsiday Pay: (close at 6pm)

$15 for the first 10 minutes plus $1 for each additional minute until child is picked up.

All tuition fees are due by the day you agreed to on your fee agreement. Preschool tuition is to be pre-paid by the 5th of every month. If tuition remains unpaid for two weeks after the due date, your child will not be readmitted to The Center for care until your balance is paid in full. Repeated delinquency may result in dismissal from the program.

There will be no adjustments to the weekly/hourly rate unless the child is sick for an extended perod of time (8 consecutive business days)

Fees remain due during FRC holidays (New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the Friday after Thanksgiving, and Christmas Day.)
In addition to holiday closures, the Center is closed for 3 planned professional development (PD) and staff training on MLK Day, Good Friday, and one discretionary professional development day each year. Families will be notified of the discretionary closure at least one (1) month in advance.
. No credits, refunds, reductions, or prorated fees will be given for holidays and PD days.

A sliding scale discount is available based on family size and income. Please inquire in the office to see if you are eligible.

Any changes to these fees (such as child's age, scheduling , etc.) should be discussed with the Business Manager. Rates are subject to change. Families receiving DCF assistance are subject to the above mentioned policies.

We are so glad you have chosen to share your child with us. Prompt payment of fees helps us ensure appropriate staffing and supplies to best meet your children's needs. Failure to pay fees when due may result in suspension or termination of childcare services, and any unpaid balance may be pursued through collections or legal action. The parent/guardian(s) will be responsible for the unpaid balance and, to the extent permitted by law, any reasonable collection costs, court costs, attorney's fees, and other legal expenses incurred by FRC in its efforts to collect the amount owed.
